PUBLISHING of Songs Written by Band at HRA: The Student agrees that per the Band Member Sheet (see attached) at the time that any original material including songs, music and lyrics originally written and/or created by the band (the “Original Material”) while attending the HRA shall be owned equally amongst the band members and HRA Tunes. For example if there are 4 band members, the ownership shall be split 5 ways with each indi-

vidual band member receiving 20% and HRA's publishing designee, HRA tunes receiving 20%.

The Original Material will be registered at ASCAP by HRA identifying each student individually with their respective ownership and writer rights. It is the student's responsibility to register their own publishing company with ASCAP or BMI and update the registration with their publishing information.

Any and all uses of the Original Material excluding HRA's use of the recordings that contain the Original Materials for fundraising activities in the form of digital downloads and CD sales will require the majority consent/vote of all owners in writing.

**RECORDING RIGHTS of Songs Recorded by Band at HRA:**
